Mysteries In Our National

8 Mount Shasta. Mount Shasta is located in the Shasta-Trinity National Forest of California and is a place shrouded by mysteries and legends. The tribes who lived on the mountain once thought of it as the center of creation and all life, while New Age believers see it as the Earth's main point of spiritual energy.

Mithraism, also known as the Mithraic mysteries, was a mystery religion centered on the god Mithras that was practiced in the Roman Empire from about the 1st to the 4th century CE. The religion was inspired by Iranian worship of the god Mithra, though the Greek Mithras was linked to a new and distinctive imagery, and the level of continuity between Persian and Greco-Roman practice is debated.
