Minecraft is a sandbox video game created by Swedish game developer Markus Persson and released by Mojang in 2011. The game allows players to build with a variety of different blocks in a 3D procedurally generated world, requiring creativity from players. Other activities in the game include exploration, resource gathering, crafting, and combat. Multiple gameplay modes are available.

Minecraft - Wikipedia

The Sandbox is proud to be Hilton Head Island's premiere destination for early childhood, hands-on play and learning. Since we were founded in 2005, our primary goal has been educating young children through age-appropriate, interactive activities and exhibits that enable children to play freely while exploring their creativity and discovering the world around them.

The Sandbox
