Attack Your Lack - Bishop Michael Pitts

- The good news is that if mismanagement is creating lack
- Then appropriate management can end your lack.
- o Attack your lack.
- o Make a plan.
- o Stop casting out devils.
- o Men, let your wife be a help mate.

EXAMPLE: If your utility bill is too high because you leave the front door open. Then stop yelling at the devil and close the door!

The lack of diagnostic recognition of anxiety attacks means that the signs and symptoms are open to interpretation. That is, a person may describe having an "anxiety attack" and have symptoms that another has never experienced despite the second person indicating that they too have had an "anxiety attack."

Panic Attack vs. Anxiety Attack: What's the Difference?

Lack of Sleep Ages Your Skin. When you don't get enough sleep, your body releases more of the stress hormone cortisol. In excess amounts, cortisol can break down skin collagen, the protein that keeps skin smooth and elastic. Sleep loss also causes the body to release too little human growth hormone.
