The throw-away society is a human society strongly influenced by consumerism. The term describes a critical view of overconsumption and excessive production of short-lived or disposable items over durable goods that can be repaired.

Throw-away society - Wikipedia

Take-out food is packaged in paper, paperboard, corrugated fiberboard, plastic, or foam food containers. One common container is the oyster pail, a folded, waxed or plastic coated, paperboard container. The oyster pail was quickly adopted, especially in the West, for "Chinese takeout".. In Britain old newspapers were traditionally used for wrapping fish and chips until this was banned for health ...

There are serious speculations about some relations between Paleosiberian languages (which are not a genetic group, but split into several groups) and Native American languages (which, again, too are not a genetic group, but split into several ones). Paleosiberian languages were spoken all across Siberia before Mongolic, Tungusic and Turkic tribes settled there; so it is only logical to ...
