Healing is Todd Rundgren's ninth studio album, released in 1981. The album's themes are spirituality and the human condition, something Rundgren had touched on many times in earlier works but never with the consistency exhibited here as every track explores a different aspect. The back cover image of the album (artwork by Prairie Prince) shows the caduceus and a Qabalistic Tree of Life each ...

While healing is a large part of QHHT, exploring past life regression is one of the most unique aspects of this technique. By using a form of focused awareness, the participant is guided to focus on their breathing, visualize some beautiful calming imagery, and slowly fall into a light, trance-like state.
